

From,
The Tech Ahoy Team

To,
Dr. Ramesha C,
Associate Director,
Student Welfare,
MIT – Manipal

Dear Sir,

We are a group of motivated students from MIT on our way towards building our own company focussing on technological development mainly in the field of computer science and engineering. We have been working for the last 6 months at MIT training students in building fully functional software and applications, developing websites, designing graphics and lots more thus paving our way through success.

We were given permission by the following faculty members of MIT during last semester to work towards our aim.

1. Dr. Ramesha C, Associate Director, Student Welfare
2. Mrs. Manjula Shenoy, Senior Lecturer, CS Department, MIT
3. Dr. Renuka, HOD, CS Department, MIT

We would like to renew the permission for this semester and would like to request 3 rooms at NLH from 5:30 PM to 7:30 PM every working day for this entire academic year 2012-2013 to conduct our training sessions, develop our projects, hold meetings and conduct interviews. We promise the college that all the resources provided will be used judiciously and we would not require any financial assistance at any point of time from the college or from the students.

We would like to occupy these rooms for this entire academic year (2012-2013) starting from 19th of August 2012 from 5:30 PM to 7:30 PM. The details are as follows and the availability of the rooms has been confirmed.

Details:

Room 19th August: Room.404, NLH (AB-3)

Room 24th August: Room 402, 403, 404 (NLH – AB3)

Timings: 5:30 to 7:30 PM every working day

Things we did during last semester:

1. Brought our own international technical magazine (Tech Ahoy) which was critically acclaimed by many people all over the world.
2. We held training sessions in the following areas:
 - ♦ WEB DEVELOPMENT
 - > HTML
 - > CSS

To: Dr. Ramesha C
Sr. Associate Director
Please provide the
rooms
